

**DALLAS COUNTY
DEMOCRATIC PARTY**

October 28, 2010

Judges & Alternate Judges,

Thank you for serving as an election judge or alternate election judge on November 2. These positions are the backbone of a Democratic system of government.

I want to make you aware that the Dallas County Democratic Party (DCDP) has received phone calls and emails regarding poll watcher trainings held by the Tea Baggers. These trainings have encouraged the "poll watchers" to go to precincts and prevent people from voting. The Tea Baggers are planning to "take pictures of illegal voters" and to "stop illegal voting" according to their definition of what is legal or illegal.

Remember you are the judge, if you observe anyone loitering, taking pictures of voters in the polling place, or disturbing voters within the 100 foot markers ask them to stop the behavior if they refuse call the Election's Department Hotline at 972-225-7328 or call the DCDP at 214-821-8331.

Enclosed is an Incident Report Form. If you see something that is a violation of the election code or something that you think is wrong or illegal complete the enclosed Incident Report Form and forward it to DCDP at 214-821-0995 or email to satillery@dallasdemocrats.org.

Also, enclosed is a pass for complimentary parking at the DCDP Election Night Watch Party at AT&T Plaza at American Airlines Center. You must present the enclosed pass to receive free valet parking.

Democratically Yours,

Steve A. Tillery

Executive Director
